Training Coordinator / Firearms Instructor

St Marys Indoor Shooting Centre (SMISC) is seeking a uniquely qualified individual to coordinate and deliver all aspects of our training programs at the Centre and contribute towards building a positive reputation of the Centre, SSAA NSW and the shooting sports in the wider community.

This role will work closely with the Operations Manager to review, develop, coordinate and deliver SMISC training programs to ensure all operations are carried out safely and by well-trained personnel as well as ensuring course participants are trained to a high standard. In addition, you will provide master armourer services for SMISC and St Marys Pistol Club.

You will bring a strong commitment to firearm safety, have good understanding of the firearms legislation and licencing procedures as well as retail and customer service experience.

The role will require the following approvals and assistance in obtaining this will be provided:

- Club Armourer Permit
- NSW Worksafe Explosives Licence
- Hunter LEAP Trainer accreditation

Essential

- NSW Firearms Licence ABH
- Formal training qualifications and experience
- Exceptional customer service skills and experience

Desirable

- Experience in a membership organisation
 - Working knowledge of firearms products and accessories
 - Experience in documentation required for firearms licences and permits
- This role is an exceptional opportunity for a passionate trainer to promote the values of SMISC and SSAA NSW and heighten awareness of shooting as a sport.

To be considered for this role please forward an application detailing your skills and experience in the identified areas, along with your resume to: info@stmarys.ssaa.org.au
